Pakistan Journal of Physiology, (Pak J Physiol, PJP) publishes original research papers in all areas of Biological Sciences including but not limited to human and animal Physiology. It is recognised by Pakistan Medical & Dental Council. It is indexed by EMRO Index Medicus, Index Copernicus, Pakmedinet, and Index Pakistan. All articles published, including editorials, letters, and book reviews represent opinion of the authors and do not reflect the official policy of PJP, Pakistan Physiological Society, or the Institution with which the author is affiliated, unless it is specified. All submissions are electronic to be submitted on Open Journal System (OJS). For details, authors should read the Guidelines for Authors published in every issue. Pakistan Journal of Physiology is self-supported by the authors.

The published material is accessible free for research and academic purposes with due citation reference to Pak J Physiol. The publication is licensed under a Creative Commons Attribution-NoDerivatives 4.0 International License.

## CONTENTS

### EDITORIAL

- Breath biopsy: A promising diagnostic tool** 1  
Tehseen Iqbal
